STATEMENT OF UNINTENTIONAL DELAY

Petitioner/Applicant, Randy Boudreaux, has filed a Petition for Revival of the above-referenced application, which was unintentionally abandoned. During the time period of 2002-2003, Applicant's contact address changed four times. As a result of such multiple address changes, correspondence related to the above-referenced application was misdirected. Applicant has recently been forwarded from a former contact address several pieces of correspondence related to this patent application, including a Notice of Abandonment. Accordingly, the above-referenced patent application was unintentionally abandoned, and Applicant requests that the Petition to Revive be granted.

Respectfully submitted,
